Charger Spotlight

This week's spotlight shines on a few GREAT StG students!

Sienna G. in 2nd grade enjoys sitting and reading to her classmates when she finishes her work. Her positive attitude in all she does makes the students feel good and encourages them to be positive.

Diego C. in 2nd grade is always willing to help his classmates when he sees them struggling with their classwork. He is also quick to give comfort to any student who is sad.

After every basketball game, 7th grader, Sophia C., stays behind to clean up the bench and bleachers, even of the opposing team on THEIR courts. She is a great role model for every student and is always being a positive player even if the game isn't going our way. She always shows us how to be GREAT.
