Week of March 4th - March 8th

2018 - 2019 Spiritual Theme:

"The gifts we have we are given to share"

Student of the Month for February

The following students were nominated as the Student Disciple of the Month by their teachers for the month of February by demonstrating the Catholic Social Teaching of Solidarity of the Human Family. They understand the importance of loving their neighbors. The Gospel calls us to be peacemakers. Our love for all our sisters and brothers demands that we promote peace in a world. Thank you for showing us how to be GREAT! GREAT job boys and girls!

Students may be nominated as the Student Disciple of the month for March if they demonstrate the Catholic Social Teaching of Caring for God's Creations. God has entrusted us to be caretakers of the created world and to preserve it for those who will come after us. The goods of the earth are gifts from God, and they are intended by God for the benefit of everyone. We have a responsibility to care for these goods as stewards, not as mere consumers and users.
