How will we keep track of students' success?
Example: (recognize students in Great Week Ahead, weekly recognition from teachers)

How will we celebrate success? **50 points for all three**
Example (Quarterly lunch w/ Principal)

Create a poster for your campaign **30 points**
You can create the poster on Word, Canva
Or on an actual poster board. If you choose
an actual poster board please take a picture of
our poster and submit it with your campaign.

All campaigns are due August 1st. A google classroom will be set up so you can upload your completed project. Look for the invite in your email. All submissions will be reviewed by a committee. One campaign will be selected to be adopted and implemented during the next school year. Each submission will be graded and will count as a test grade. We are looking forward to seeing your creative work. Enjoy your summer reading.
