

GREAT WEEK AHEAD

WEEK OF JAN 10TH- JAN 16TH

A weekly newsletter brought to you by St. Gregory the Great Catholic School

Student Spotlight

Isabella G (or "GG") is being nominated for student spotlight this week. Isabella is a member of the Student Council and participates in sports and clubs. GG consistently works hard in all that she does and accepts challenges with a can-do attitude. Since starting the second semester, GG has shown up to class each day with a smile and readiness to engage in her learning. GG is

a great example for others and her spirit is truly appreciated. Thank you, GG for showing us how to #BeGREAT

Faculty Spotlight

Our faculty spotlight shines on Mrs. Rosales this week. Mrs. Rosales continues to go above and beyond to make sure that our students receive the best educational experiences possible, while ensuring all the safety protocols are followed. She is always steps ahead of the situation. No matter what is on her to-do list, she is always

available to help others in any way she can. She puts forth her best efforts in all she does and she does it all with a smile.

Parents, if you or your child were diagnosed with COVID anytime during the holiday, we are respectfully asking that you please report that information to Nurse Cruz

at naomi.cruz@stgregorys.net or by calling 210-342-0281. The school is continuing to keep record of this in order to ensure we keep everyone safe by following all CDC and archdiocesan guidelines. For questions, please contact Nurse Cruz.

Measuring What Matters

NWEA Testing Schedule for Distance Learners

Our testing window for NWEA MapGrowth tests begins next week. If you've decided to send your child back to campus, test times have been built into their schedule. If your child is going to be a Distant Learner we have created a schedule for them to come to campus to take their tests. The data we receive from these assessments greatly affects the planning and teaching for the remainder of the year. It will give you the opportunity to see the growth your children have made in their educational journey. As always, we will continue the safety protocols of mask wearing, social distancing and cleaning.

The schedule for DL in 1st-3rd is as follows:

1/15/21 8:30- 9:30 Reading (1st-3rd grade)
1/15/21 10:45-11:45 Language (2nd & 3rd grade)
1/19/21 8:30- 9:30 Math. (1st and 2nd grade students will be done after their math test is completed.)
1/19/21 10:00-11:00 Science (3rd only)

Students will be dropped off at the computer lab no later than 8:15, where their temperatures will be taken. Any student who has a temperature above 100.4 will not be allowed to stay on campus. Students must wear masks at all times. Send a small snack and a water bottle, as we will have a small break between sub tests.

The schedule for DL in 4th & 5th is as follows:

1/15/21 9:00- 11:45 Reading and Science
1/19/21 9:00 - 11:45 Math and Language

The schedule for DL in Upper Unit is as follows:

1/20/21 10:00- 12:30 Math and Language
1/21/21 9:00 - 11:45 Reading and Science

Students will be dropped off at the cafeteria no later than 8:45, where their temperatures will be taken. Any student who has a temperature above 100.4 will not be allowed to stay on campus. Students must wear masks at all times. Send a small snack and a water bottle, as we will have a small break between sub tests. All students must bring a charged laptop, charger and headphones to use for the test. We will not have any devices available for use. Students will be picked up at the cafeteria. Please respond with your decision to allow your student to take the MapGrowth test. Your child will not be penalized for not taking the test and if they are not taking the tests then they should log into their class as usual. It is important for us to have an accurate count of who will be taking the test so your response makes this process easier and more efficient. If you have any questions, please feel free to contact Mrs. Rosales at sandra.rosales@stgregorys.net or leave a message at school.
