

GREAT WEEK AHEAD

WEEK OF FEB 21ST-FEB 27TH

A weekly newsletter brought to you by St. Gregory the Great Catholic School

Community Spotlight

THANK YOU to all those who came out to help relocate our Early Childhood teachers and clear out the classrooms. With very little notice we had well over 20 plus families/students volunteer to help clear the ECH building and relocate to new locations on campus. This is a true testament to the love and unity in our community.

Faculty Spotlight

This weeks spotlight shines on Vice Principal Cortez. Mrs. Cortez wears many hats at StG. Whether leading student safety initiatives, recruitment and retention goals, or marketing our GREAT school, Mrs. Cortez presents StG to the larger community in a positive and meaningful way. Mrs. Cortez is the proud parent of four StG alumni and current grandparent of three StG students with a few future chargers at home. Mrs. Cortez is always willing to do whatever is needed to advance our beautiful school. Thank you, Mrs. Cortez for showing us how to #BeGREAT

Important Updates:

Early Childhood

The building will need a lot of work and teachers are acting quickly to make their new classroom a home for your children. As such, the plan at this time is for their new classrooms to be their permanent classrooms until the end of the school year.

PK3: You are now relocated to the Collaboratorium. Pick up and drop off will continue in ECH carline however, you will pull forward directly in front of the building now instead of driving to the awning.

PK4: You will now be in room K3 which is directly in front of the main school building. Parents, please drop off your student in the carline off of Dewhurst Rd now and not off of Beryl.

Kindergarten: You will now be in room K4 which is also directly across from the main building. Parents, please drop off your student in the carline off of Dewhurst Rd now and not off of Beryl.

After School Care: Will be held in the Collaboratorium for all ECH students. Note: Pick up for all ECH ASC students will be directly in front of the Collaboratorium.

Internet

Our internet has been fully restored at this time. In person and Distance learning will resume on Monday, February 22nd. Please be patient as we continue to work with IT and Spectrum on this issue. If the internet on campus is not up and running, a notice will be sent out to all families.
