

GREAT WEEK AHEAD

A weekly newsletter brought to you by St. Gregory the Great Catholic School

WEEK OF SEPTEMBER 12TH-18TH

Charger Spotlight

This week our charger spotlight shines on Marcos G. Marcos is in Ms. Collins 4th grade class. During class one of Marcos classmates lost his mask. Since Marcos knows the importance of a mask, and the class was in the middle of a lesson, he did not want his friend to leave and miss instruction to go get a mask. Marcos had extra mask that he has not used and selflessly gave one to help out a friend in need. Thank you Marcos for showing us how to #BeGreat

Faculty Spotlight

This week our Faculty Spotlight shines on Maricela Cantu. Maricela is such an important part of our staff. She does her work diligently and carefully to ensure that we stay safe and that our needs are met. Before school started, Maricela brought us heavy chairs, desks, bookshelves, etc. in order to help prepare our classrooms. She never complained and always asked if there was anything else we needed. She continues to be a blessing. Maricela is a very hard worker, with a GREAT work ethic. We are very appreciative for her help and dedication to StG.

Suicide is not a pleasant topic to talk about. It is often stigmatized and often seen as a taboo. September is Suicide Prevention Awareness month, a time to raise awareness on an issue that can effect anyone regardless of age, gender or background. We are all at risk of experiencing mental health issues. It's important that we become aware of the warnings signs and risk factors so we can seek help for ourselves and those we love and care about especially those who might already be experiencing a mental health condition like depression or anxiety. Here are a few signs and factors.

Warning Signs:

- Feelings of isolation
- Drastic change in mood and behavior
- Change in school performance
- Withdraw from activities previously enjoyed
- Change in sleep pattern
- Negative feelings of self
- Feeling like a burden to others
- Making suicide threats
- Giving away things

Risk Factors:

- Family history of suicide
- A serious medical condition
- Substance or Alcohol abuse
- Access to firearms
- A recent loss or tragedy

Welcome back Chargers!!!!

Exciting news from Box Tops – Box Tops is continuing its digital program as it has phased out paper box tops!! All you need to do is scan your paper receipt to the Box Tops app or forward your digital receipt to receipts@boxtops4education.com

The free Box Top app can be found using either the App Store or Google Play. Once the app has been downloaded from either the App Store or Google Play, be sure to scan your receipt using the app. The receipt is only good for scanning for up to 14 days after the purchase. For your child to receive credit for the online submissions, please send a screen shot of your account with the number of box tops that you added to me at maria.zertuche@stgregorys.net. I will then place the total in the student spreadsheet, keeping a running tally for the year.

For the 2021-2022 school year, each student will need to submit 10 box tops each month for a free dress day, while each sibling needs to turn in 5 for a free dress day. This year, the student who turns in the most box tops will earn a \$25 giftcard to Target. The class with the highest percentage of turned in box tops will earn a pizza party in May. For turn in dates and free dress days, please check the monthly calendar and GWA, as all Box Tops turn in dates and free dress for the year have already been set. Please do not hesitate to contact me at maria.zertuche@stgregorys.net with any questions you may have. Please allow 24-48 hours for a response.
