

GREAT WEEK AHEAD

A weekly newsletter brought to you by St. Gregory the Great Catholic School

WEEK OF DEC. 5TH-11TH

Charger Spotlight

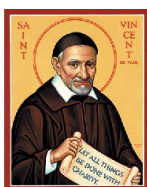

This week our Charger Spotlight shines on our NJHS and StuCo students. Our StuCo and NJHS organized a school wide toy drive and assisted with the drive thru toy drive event this past Saturday. It was a successful event. They collected a total of 150 toys to donate to our very own St. Vincent de Paul Community. Thank you for showing us how to #beGREAT.

Welcome back Chargers!!!!

Exciting news from Box Tops – Box Tops is continuing its digital program as it has phased out paper box tops!! All you need to do is scan your paper receipt to the Box Tops app or forward your digital receipt to receipts@boxtops4education.com

The free Box Top app can be found using either the App Store or Google Play. Once the app has been downloaded from either the App Store or Google Play, be sure to scan your receipt using the app. The receipt is only good for scanning for up to 14 days after the purchase. For your child to receive credit for the online submissions, please send a screen shot of your account with the number of box tops that you added to me at maria.zertuche@stgregorys.net. I will then place the total in the student spreadsheet, keeping a running tally for the year.

For the 2021-2022 school year, each student will need to submit 10 box tops each month for a free dress day, while each sibling needs to turn in 5 for a free dress day. This year, the student who turns in the most box tops will earn a \$25 giftcard to Target. The class with the highest percentage of turned in box tops will earn a pizza party in May. For turn in dates and free dress days, please check the monthly calendar and GWA, as all Box Tops turn in dates and free dress for the year have already been set. Please do not hesitate to contact me at maria.zertuche@stgregorys.net with any questions you may have. Please allow 24-48 hours for a response.

Students can also bring in box labels, and bottle caps with codes. PTC will manually enter the codes! It's that easy!
