

GREAT WEEK AHEAD

Week 31

April 5, 2026

Week 31:

We hope you had a restful and joy-filled Easter weekend with your loved ones! As we jump into Week 31, there's so much to look forward to. Our NWEA testing window opens later this month, and teachers will be sharing helpful resources to support student success. Be sure to take advantage of tools like Khan Academy and IXL for extra practice. Fiesta de la Familia is just weeks away, and the excitement is building! Don't forget to check out volunteer opportunities to complete your 15-hour family commitment. Service hours should be logged in the FACTS Family Portal by May 1st. In addition, TEFA will begin notifying families about funding decisions in mid-April. It's a busy and exciting time in our community, with so many great things ahead!
