

Week 32: Message from Mr. Bloomer

Dear St. Gregory the Great School Community,

As the substitute principal, I want to share how quickly I have come to feel at home here. The kindness and genuine love for our school community is evident in every hallway, classroom, and interaction. It is truly something special.

I have thoroughly enjoyed getting to know our staff and have been incredibly impressed with both the high level of instruction and the deep love they have for what they do and for the students they serve. Your children are in caring, capable, and faith-filled hands each day.

Our students have also made a lasting impression on me. They have been so welcoming—greeting me each time they see me with smiles and enthusiasm. Some of my favorite moments so far have been helping open bags of chips and Go-Gurts at lunch, assisting in the Tot's program, and greeting students during morning drop-off. And yes—I even had the chance to play baseball at recess... and I'm happy to report I hit a home run!

One of the most meaningful experiences has been attending Mass with our students. Their confidence in participating and their love for Jesus is clearly evident. I have challenged our older students to continue growing as leaders during Mass—by singing, responding, and modeling respectful, prayerful behavior—because our younger students are watching and learning from them. Parents, I would greatly appreciate your support in reinforcing this at home.

Finally, I want to sincerely thank you for choosing Catholic education and for choosing St. Gregory the Great. I know you have many options when it comes to your child's education, and your trust in us is not taken lightly. It inspires all of us to show up each day ready to love, serve, and educate your children to the very best of our ability.

As always, I am here to support you and your family. Please do not hesitate to reach out at any time.

With gratitude,

Mr. Todd Bloomer
Substitute Principal
