NOVEMBER VIRTUE OF THE MONTH AWARD

Virtue of the Month enables us all to explore each virtue over a four week period to improve the school community’s virtue literacy and to deepen understanding and appreciation of the essential role the virtues play in the education of the whole child.

During the month of November our focus was on humility, which means to accept both our limitations, and our God-given talents.

St.Thomas Aquinas defines humility this way: “Humility means seeing ourselves as God sees us: knowing every good we have comes from Him as a pure gift.”

Homeroom teachers select 2 students who live out the virtue of the month.
