## CHARGER ATHLETICS NEWS

Make sure you're connected to the Team Band App for the most up to date information on Practice and Game Schedules / Changes.

\*\* In the event that there are not sufficient players present, the intended practice shall be modified.

The virtue of temperance is about practicing self-control. It helps you control your actions, thoughts, and feelings. Our bodies need things that help it grow and flourish like food, water, exercise, and rest. Temperance helps you balance what your body needs without having too much or too little of it.
