40 DAYS OF LENT SERVICE PROJECT

As we enter the season of Lent we want to remind students of this special time of reflection and growth. It is a time for us to prepare our hearts and minds and to draw closer to God. The three main things we focus on during Lent are prayer, fasting (abstaining from something to reduce distractions and focus more on God) and giving, or charity.

This year we have partnered with The Children's Hunger Fund and will participate in Project Food Pak. When students fill a Children's Hunger Fund Food Pak, they are helping to deliver hope to a suffering child. It's ministry in action and it provides an opportunity to share the gospel. The Food Pak will go to a child in our own city. Together, we can bring hope to a child in need. Each homeroom will complete the project as a class. Keep a look out for additional information from your child's homeroom teacher.

Thank you in advance for encouraging your children to participate in 40 days of service.
